APPLICATIONS DEVELOPED

Spontaneous.ly, *GitHub | Live*
- Full stack **mobile-responsive CRUD** app that allows users to create an account, search for activities in their area, make a reservation for those activities, track points they have gained by attending activities, and spend their points to change filter criteria
- Dynamically renders content to the DOM based on **query parameters** in the URL generated from **React Router** through **Fetch requests** to simulate a multi-page application
- Built using **React.js**, **React Router**, **JavaScript (ES6)**, **PHP**, **MySQL**, and **Bootstrap 4**

Coffeine Supply Co, *GitHub | Live*
- LAMP stack **mobile-responsive Content Management System (CMS)** to create, read, update and delete cart and product data via **Fetch Requests**
- Incorporated **PHP session cookies** to track shopping cart data of individual clients
- Updated the DOM dynamically with **React.js** and styled using **Bootstrap 4**

Cyberpunk Logo Match, *GitHub | Live*
- Immersive Cyberpunk inspired memory matching game with statistic tracking, sound effects, and full-screen video backgrounds
- Constructed using **procedural programming** and **jQuery** to interact with the DOM
- Styled with **HTML**, **CSS**, and **Flexbox** with **mobile-responsive** design in mind to optimize **UX**

PROFESSIONAL EXPERIENCE

EDUCATION

University of California Riverside, *B.S. in Business Administration*

LearningFuze, *Accelerated Web Development Program*
- 70+ hours of programming per week for total of 800+ hours of programming in a simulated work environment with project deadlines and mentorship from senior developers

TECHNICAL SKILLS

Strong
- JavaScript (ES5, ES6)
- React.js
- JSX
- OOP
- Procedural Programming
- jQuery
- Bootstrap
- HTML5
- CSS3

Experienced
- Fetch
- AJAX
- PHP
- MySQL

Tools
- Git/GitHub
- Postman
- Meistertask
- JIRA
- Figma
- Photoshop
- Chrome Dev Tools
- npm
- Webpack
- JSON
- Babel
- Command Line
- VS Code

HOBBIES

Traveling
- Domestic Travel + Japan, Dominican Republic, and Mexico

Cooking
- In the process of writing a cookbook for burgers
